

DAD'S TURN TO RACE!

PRESENTED BY

SATURDAY, JUNE 15

2019 Dad's Derby at Titledown *Official Rules*

CAR SPECIFICATIONS:

- Width — 2 3/4 inches
- Length — 7 inches
- Height — 3 inches
- Weight — Not over 5 ounces
- Width between wheels — 1 3/4 inches
- Bottom clearance between car and track — 3/8 inches

RULES:

- The car shall not exceed the car specifications listed above.
- The car shall not ride on springs.
- Only official Cub Scout Pinewood Derby wheels and axles are permitted. Rounding, grooving, H cutting or V cutting the tread surface is prohibited.
- Only dry lubricant is permitted (e.g. graphite).
- Details, such as steering wheel and driver are permissible as long as these details do not exceed the maximum length, width, height and weight specifications.
- The car must be free-wheeling, with no starting or electronic devices and propellants.
- Each car must pass inspection. The owner will be informed of the reason for failure and will be given time within the official weigh-in time period to make adjustments. A car may be disqualified if it does not meet these rules.
- After final approval, cars will not be re-inspected unless the car is damaged in handling or in a race.
- Pinewood derby cars from previous years or races may be used at this event if they meet all rules and car specifications listed above.
